

Permagreen Grønland A/S are looking for a cleaning assistant in Nuuk

We are looking for a cleaning assistant for our department in Nuuk.

As a cleaning assistant, you will be responsible for cleaning our various locations in Nuuk. The cleaning consists of ongoing cleaning of our office facilities, our accommodations and then our facility containers.

In the position, you will have the opportunity to help shape the area of responsibility and you will continuously be responsible for optimizing the work processes.

Your profile:

- You have experience with the cleaning profession.
- You have a driving license (B).
- You have a flair for IT systems.
- You can stay focused, even during periods of high activity and stressful situations.

As a person, you are trustworthy, communicative, and engaging. You thus create a positive environment where the focus is on opportunities rather than limitations.

We can offer you:

An exciting job with big responsibility. Salary and terms of employment will be negotiated and are based on qualifications.

A work car is part of the position. Unfortunately, accommodation cannot be offered for the position.

In Nuuk, we have about 160 employees divided into hourly paid and salaried employees. With our location in Nuuk, where most of the major constructions in Greenland are carried out, the department has gained considerable experience with total and main contracts.

Are you interested?

And do you have questions about the content of the position, you can contact Vivian Mørch Simonsen at vsi@permagreen.gl or +299 34 38 95.

Application and CV mrk. "Service employee" can be sent to vsi@permagreen.gl.

We process received applications on an ongoing basis.

For cleaning companies in Nuuk:

If you want to be considered for the assignment, you can contact Vivian Mørch Simonsen for further information about the scope of the assignment.
